**WE UNDERSTAND**

Our membership includes all dental care professionals in the field, and we work to serve all of you with programs for your professional growth and personal needs.

**CLINICAL ASSISTANTS**

...the backbone of the dental practice. We serve clinical assistants through our numerous CE courses (at special member rates), articles in the Journal that address all aspects of chairside work and convention topics.

Articles of administrative interest in *The Dental Assistant* journal; continuing education at reduced member rates; and, free for the asking, the ADAA newsletter *Business Beat*.

**EDUCATORS**

Educators are at home at the ADAA too. You receive the twice yearly *ADAA Educators' Newsletter* and a special invitation to be published in the ADAA's Journal, *The Dental Assistant*.

**¡SE HABLA ESPAÑOL!**

Si usted se siente más cómodo discutir los beneficios de la asociación de ADAA en español, llame nuestro número 877-874-3785 extensiones 201, 211 o 213. Nuestros materiales educativos son en inglés, pero se pueden discutir en español.
