Pre-Registration for ADAA Learning in the Round

Deadline: **January 29, 2010**

Pre-registration strongly recommended. Courses will be closed once maximum registration has been achieved. Registration for this course is separate from CDS and is handled by ADAA only.

Pre-Registration for CDS Meeting

Both members and non-members who wish to register for the CDS Meeting itself, including admission to the Exhibit Floor, should fill out CDS Meeting Registration forms and submit them with fee (if any) to CDS as directed on <http://www.cds.org/mwm/>.

All of those pre-registered with the CDS will receive badges during February in the mail. These registrants need only stop by the Chicago Dental Society registration desk to pick up a plastic badge holder and Midwinter program. Badges are not required for admission to ADAA courses, but are required for admission to the exhibit floor.

On-Site Registration

On-site registration for courses will take place outside the room in which courses are being presented and will be handled on a first-come, first-served basis if space is available. A charge of \$10 will be added to the course fee for both ADAA Members and Non-members. Those registering on-site for ADAA courses will also have to register at the CDS registration desk if they wish to obtain a badge and badge holder, required for admission to the exhibit floor, and to obtain a general program. There is no CDS registration fee for members of the Illinois Dental Assistants Association. Illinois ADAA members, be sure to bring your membership card for free CDS registration on-site. All other assistants, even if members of other ADAA state components, must pay a registration fee to CDS for badge and badge holder.

Continuing Education Credit

The courses offered by ADAA at this meeting are acceptable for CE Credit with the Dental Assisting National Board and most state agencies requiring dental assisting continuing education. (Check with your state board if you have any questions.)

ADAA is an AGD-Approved National Sponsor
